The image shows a browser window displaying the Autodesk ReCap overview page. The browser's address bar shows the URL www.autodesk.com/products/recap/overview. The page features the Autodesk logo and the ReCap logo. A large banner image shows a 3D point cloud of a building structure overlaid on a photograph of a coastal landscape with a person and a drone. A navigation menu on the left includes links for Overview, Features, Compare, Free trial, Buy, Download, and Community. The main content area has the heading "Overview" and "Reality capture and 3D scanning software", followed by a paragraph describing the software's capabilities. A "Download" link is highlighted with a red circle containing the number 3. Below the text is a small video thumbnail and a link to an "Overview video". A "FEEDBACK" button is located on the right side of the page.

Overview

Reality capture and 3D scanning software

Capture and integrate reality data directly into your design process with ReCap™ and ReCap 360™ reality capture software and services. ReCap and ReCap 360 work with Autodesk design and creation suites, so you can start your design, your renovation, or your retrofit work with accurate 3D scanning data and full photo-quality context. To learn more, visit the [ReCap Hub](#).
